REMARKS

The above newly entered paragraphs of the specification overcome some informalities noted in the specification. The undersigned avers that the newly entered paragraphs of the specification do not contain any new subject matter.

Newly entered claims 39-76 merely rewrite the subject matter of original claims 1-38 and Chapter II amended claims 1-38 in a more traditional U.S. claim format. The entered amendments are not, in any way, directed at distinguishing the present invention from any known prior art. Please consider the newly entered claims. Please note that the subject matter of the Chapter II amended claims is editorially revised and rewritten to bring that subject matter into conformity with the United States claim format.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
